

## 10.2 Adverbs: Games!

### Game 1

Choose **one verb** from the list on the **left**, and **one adverb** from the list on the **right**. Then, choose one student in your class (or your teacher!), and they have to act out the words that you say.

**Examples:** Run quickly  
Speak beautifully

| Verbs | Adverbs     |
|-------|-------------|
| walk  | quickly     |
| run   | slowly      |
| eat   | loudly      |
| speak | quietly     |
| dance | carefully   |
| sing  | recklessly  |
| write | beautifully |
| sleep | sadly       |
| sit   | happily     |
| stand | angrily     |

### Game 2 – Charades

Divide the class into two teams. The teacher will call one student from one team to the front of the class and show him/her **one verb and one adverb** (for example: run angrily). The student must act these words out. If his/her team can guess the two words, the team gets one point.

After everyone has acted, count the points and see which team won!
