

### 5.9 Embedded Questions: Practice

**Rewrite the following questions as embedded questions.**

**\*Remember:** If it is a **Yes/No** question, you need to use **"if"** or **"whether..or not"** with the embedded question.

**Example:**

**Is there a baseball game tonight?**

*Do you know if there is a baseball game tonight?*

---

**1. Where does the president live?**

---

**2. Can dogs see colors?**

---

**3. How many donuts are there in a dozen?**

---

**4. Did Jack finish writing his novel?**

---

**5. Who did Melissa go out with last night?**

---

**6. What is Morgan going to do this weekend?**

---

**7. Can Nathan drive a car yet?**

---
