Dear Cousin Angela,

Long time no see! I wanted to write you last week but I forgot because I have been very busy. How have you been?

I'm in high school now so I'm pretty busy. I like my classes but I wish I had more free time. Even though I'm busy, but I have made many friends. Next month we are planning to come visit you and Aunt Anna. I can't wait!

If you have time, please write me back! If you don't have time, it's at all no problem. I'll see you soon! Love, Jake
