

Long i – Reading

Jim likes to ride his bike and hide by the lake. Today, he rides his bike five miles and stops to rest.

Jim sees a hive in the tree. Bees like to go in the hive. Jim wants to see a bee, so he hits the hive five times.

Six bees fly and see Jim.
“Oh, no!” says Jim.

More [ESL Phonics](http://www.stickyball.net/phonics.html) handouts at www.stickyball.net/phonics.html

He runs to his bike, but he can not quite get away. The bees are quite mad. Jim yells and cries and hides.

Jim will not hit the hive five times next time. He will just ride his bike and go away.
